AutoCAD Crack Download [March-2022]

On May 10, 2017, Autodesk acquired Avro Labs, the company that makes AutoCAD Cracked 2022 Latest Version 360°. [7] This announcement was followed by the announcement of an integration plan between Avro Labs and the core AutoCAD development team. [8] At the end of 2018, Autodesk announced that they were shutting down AutoCAD 360°. [9] In a March 2019 blog post Autodesk announced that they were restoring Autodesk 360° as a stand-alone product. [10] The current major releases are AutoCAD 2020, AutoCAD LT 2020, AutoCAD 2019, AutoCAD 2018, AutoCAD 2017, AutoCAD 2016, AutoCAD 2015, AutoCAD 2013, AutoCAD 2012, AutoCAD 2011, AutoCAD 2010 and AutoCAD 2009. [11] (While 2017 was not a major release year, there were several updates to existing products, including AutoCAD LT 2017. [12]) Autodesk's AutoCAD program has been known by many names: 1. 3D AutoCAD 2. 2D AutoCAD 3. SuperCAD 4. AutoCAD 1993 5. AutoCAD 1996 6. AutoCAD 2001 7. AutoCAD 2002 8. AutoCAD 2002 R12 9. AutoCAD 2003 10. AutoCAD 2004 11. AutoCAD 2006 12. AutoCAD 2007 13. AutoCAD 2008 14. AutoCAD 2009 15. AutoCAD 2010 16. AutoCAD 2011 17. AutoCAD 2012 18. AutoCAD 2013 19. AutoCAD 2014 20. AutoCAD 2015 21. AutoCAD 2016 22. AutoCAD 2017 23. AutoCAD 2018 24. AutoCAD 2019 25. AutoCAD 2020 26. AutoCAD LT 2020 27. AutoCAD LT 2019 28. AutoCAD LT 2018 29. AutoCAD LT 2017 30. AutoCAD LT 2016 31. AutoCAD LT 2015 32. AutoCAD LT 2013 33. AutoCAD LT 2012 34. AutoCAD LT 2011 35. AutoCAD LT

AutoCAD Crack Activator Free [Win/Mac]

Internet and File Transfer Cracked AutoCAD With Keygen models can be exported to PLY and LAS formats, as well as to the FITS, OFF, JPEG, TIFF and PDF file formats, which can then be used to create and view maps of projects. Drawings can be shared and transferred with Autodesk Exchange in the form of DXF and DWG files. The latest releases of AutoCAD include the ability to open its files in Windows Explorer. This makes it possible to view a model directly in Windows Explorer. Users can also drag and drop the drawing files directly into other programs such as Microsoft PowerPoint. AutoCAD 2010 also adds the ability to open its files in Photoshop Elements and Google Earth. Autodesk Exchange Apps The Autodesk Exchange Apps is a collection of AutoCAD-based application "plugins" that add additional functionality to AutoCAD and work with AutoCAD files. App Suite AutoCAD Architecture AutoCAD Architecture is a part of the App Suite and adds 3D content to AutoCAD by providing architectural models and construction drawing features. Autodesk Exchange App Suite Architecture for AutoCAD offers professionals the ability to quickly and easily create, modify and share architectural 3D models. AutoCAD Electrical AutoCAD Electrical is a part of the App Suite and offers a number of tools that can be used to create CAD applications for the electrical industry, including design, drafting, estimating and shop drawings. AutoCAD Civil 3D AutoCAD Civil 3D is a part of the App Suite and offers a set of tools that enable users to create 3D models for architectural, civil engineering and landscape applications. Civil 3D features a built-in tools for architectural design such as 3D solids, beams, column and surface modeling and structural components including thin-shell construction. AutoCAD PowerDesigner AutoCAD PowerDesigner is a part of the App Suite and provides a set of tools to design, engineer and visualize power generation projects, distribution and transmission facilities. AutoCAD 360 VR AutoCAD 360 VR is a part of the App Suite and provides tools for creating and visualizing virtual reality (VR) experiences, such as walk-throughs and 360° cameras. AutoCAD Video & Image Analysis AutoCAD Video & Image Analysis is a part of the App Suite and is designed to create CAD applications for the video and film industry. It includes tools for still a1d647c40b

AutoCAD Activator Free [Updated]

Install the autocad keygen from this link: [Autocad 2019 keygen - free download](#)

What's New In?

Even faster than before: Drag and drop a point from the Outline, Footprint, or Area tool to insert a new feature in an existing drawing. Now you can create new features without any additional steps. (video: 1:11 min.) Add dimension tool and 3D models from the industry's leading formats: DWG, 3D DXF, and PLY. The AutoCAD dimension tool works with lines, arcs, and conic sections, and allows you to view up to 10 dimensions at once. (video: 2:41 min.) Graphs, images, and textures: Import and reference graphics and images. (video: 1:22 min.) For the first time, the new Dimensioning tool lets you easily add multiple heights to a single viewport. (video: 2:30 min.) The new Boolean tool lets you combine features and convert lines, arcs, and polygons into regions and shapes. (video: 1:13 min.) Use the new Annotative region tool to put text, numbers, and other drawing objects on CAD drawings, right next to the drafting you are working on. (video: 1:03 min.) Exporting to PDF, AVI, 3D PDF, DXF, DWG, EMB, and STP: Save a copy of your drawings to a file with one click. You can make and save PDFs, AVI files, 3D PDFs, DXF, DWG, EMB, and STP files with a single click. Now you can send your drawings to a colleague or save a copy for your own use. (video: 1:22 min.) Save 3D DWG and STL models. (video: 1:35 min.) 3D AutoCAD adds support for older formats: Save and load DXF, DWG, and PLY models directly in the 3D application. (video: 2:17 min.) Load models in the previous CAD versions: Load models created in older versions of AutoCAD directly in the new version. This lets you use your existing models and create new parts and assemblies in AutoCAD. (video: 1:30 min.) Link to a drawing from another document, without the need for a reference or copy. Add drawings from the internet, or read drawings and place them into a drawing. (video:
