First off, thank you for downloading and using our mod! We're just a group of guys in our early 20s, mostly located in California, who love the style of the game. Our hope is to create a same game mod, but with a lot of improvements, like textures, video, better control, and more content. But we don't have any developers in our team. So we get help from amazing modders like @JDRDY, @1peach, @Benzee and many others This game is partially based on the game 'How to Survive'. The game is free, and we didn't make any profit. The entire credits list is at the end of this video. Also, our 1st Youtube video is also available on It's A Gang Show. A quality show available for free on Youtube. Huge thanks to @JDRDY for creating this amazing gameplay, as well as overall storyline and everything else! I hope you enjoy it. This is the final Chapter of Saints Row The Third! Some more details have been added to this page in the Tits-Cutts section, which goes more in depth about the reasons for the sale, what the process was like, and some background about the woman who bought the car. Did you know that I'm accepting commissions on original Saints Row artwork as well as fan art? If you're a fan artist I'm very interested in work that combines Saints Row with something else (game art, novels, comics, etc) so please get in touch if you think you have some good ideas. If you'd like to see more work of mine, be sure to check out my website. If you're looking to get some art done yourself you can check out my DeviantArt. MESSAGE COMMENTS FOR FUTURE CONTENT! DO NOT POST HERE. I DON'T LIKE GETTING THE WHOLE THING FUCKED UP. Thanks! Some ideas: 10 Things You Should Know About Saints Row IV 5 Top things that I really love about Saints Row IV Hey guys! My name is Violet Rose. I'm a 24 year old cosplayer from Canada who started cosplaying in 2013. I've gone to some conventions now and even done a couple cosplays for them and I've loved every minute of it! My favourite cosplayers of all time are Korra/Janet (Skeltor) and Sailor Uranus. I am currently studying Women's and Gender Studies at Carleton University, but am getting my first real job when I graduate this summer. I am cosplaying for the first time and I'm so excited!! I haven't made a character profile for myself on any site but I'm more than sure that any of my potential followers will enjoy my work. :) Please look at my other social media accounts below for more pictures and videos of me!
